FEATURED SIRES

S A V Bruiser 9164

BW	WW	YW	Mk	CW	Mrb	RE	FAT	SB
+2	+67	+118	+18	+35	+22	+63	+019	+128.84

13 sons sell
SAV BRUISER 9164

Bruiser is the # 1 sire for Total Profit and Feed Efficiency as measured through the Angus Sire Alliance test. He is in the top 1% for ADG EPD and top 5 % EPD for Reduced Feed Intake.

EF Complement 8088

BW	WW	YW	Mk	CW	Mrb	RE	FAT	SB
+1	+59	+111	+33	+44	+68	+38	+079	+129.61

19 sons sell
EF Complement 8088

Complement is highly proven and a favorite of ours for the females he produces... Calving ease, docile, and breed leading growth in a moderate frame with great marbling. He ranks in the top 2% for Weaning Index and top 20 % for Feed Efficiency in the Sire Alliance testing.

Connealy Confidence Plus

8 sons sell
MCM Top Grade 018x

Top Grade is a well proven ¾ Simmental Angus son out of the highly respected Simmental bull UpGrade. Top Grade is known for his female making ability within the SimAngus breed. His calves are modest birth weight with excellent growth and carcass quality. He is homozygous black and polled.

PVF Insight 0129

BW	WW	YW	Mk	CW	Mrb	RE	FAT	SB
+1.8	+61	+109	+21	+60	+02	+63	+010	+151.93

14 sons sell
PVF Insight 0129

Insight is well known in the industry for producing moderate birth weight calves with exceptional growth and eye appeal. He is a big ribeye bull; \$151.93 for Beef.

Additional Angus and Simmental sires include : Hoover Dam, UpGrade, Yellowstone and Sante Fe.

Performance Evaluation DNA Igenity Gold Evaluation
The DNA evaluation will be completed on all bulls and available for your use. The DNA evaluation will add to the EPDs for Angus bulls and will assist in the evaluation of the Herdmaker Composites. It consists of 13 measures for maternal, performance, and carcass traits.

Since 1984 - Producing Superior Angus and Angus Composite Cattle

Fellow Cattlemen,

In 1984 we began our Angus program with exceptional Wye Bred heifers. Since then, Price Cattle Company has consistently selected and bred to proven Angus sires known for maternal traits. We now have a truly elite herd of Angus cows.

Expanding beyond our purebred Angus program in 1989, Simmental and Gelbvieh genetics were introduced...the result is what we call "Herdmaker" composites. Using proven sires and stressing maternal traits (as with our Angus program), the genetic diversity and hybrid vigor of these breeds bolsters our offering of desirable genetics.

The bulls have been carefully scrutinized for their performance, physical appearance, and docility. Each has been ultra-sounded, DNA evaluated, and semen tested. Each bull is "presale-priced". On sale day, the bull can be purchased at that assigned price unless there is multiple-buyer-interest for the same bull, in which case there is a "bid off" with no "hype"!

Sale prices reflect our desire to sell exceptional genetics at substantial value as compared to the highly promoted sales which are common today.

Thank you for your business. Your satisfaction is our goal. Please let us know if we can be of service.

Tom Price 541-969-8970 - John Kerns 541-519-0422
