*...when functionality & performance
are what matters!*

Our Angus and SimAngus
bull offerings are
known for moderate birth weight,
frame size and rapid growth.

Each bull is well-developed, and structurally correct.
They have met our strict standards for calving ease and
growth performance, plus DNA evaluated and
ultrasound measured for carcass merit.

Lunch at 11:00 am Sale begins 1:00 pm
February 22, 2019
Ranch Headquarters Echo, OR

There are no better bull values in the Northwest!
